## Enjoy Iowa's Antique City - Walnut

**WALNUT** - Walnut has always been about ANTIQUES - and that's why it's named, Iowa's Antique City, home to more than 12 shops and malls. Most shops are open year round.

Throughout town you will find a great diversity of antiques, depression glass, retro, mid-century modern, industrial, primitives, crocks or items to upcycle.

The 2022 40th Annual Walnut AMVET's Antique Show will take place Father's Day weekend on Friday, June 17, Sat., June 18 and Sunday June 19. More than 40 dealers from across the U.S. will have their booths set up Friday and Saturday 8 am-5 pm and Sunday 8 am-4 pm, stocking daily with newly displayed items.

If you haven't attended the Walnut AMVET's Antique Show, you will discover that this is the show to "find it and buy it." Walnut's turn-of-the-century buildings, brick and tree-lined streets, country hospitality and existing malls and shops are the perfect setting for the show.

## Coca-Cola Capital of Iowa -

### Atlantic's Christmas event one of two large city-wide events

**ATLANTIC** – In Atlantic, the Coca-Cola Capital of Iowa, fizzy soft drinks aren't the only thing drawing visitors these days. A holiday lover's North Pole, this community comes to life throughout the holiday season.

Coca-Cola Days is back! It returns on Sept. 23 and 24 in 2022. The event celebrates the legacy of Coca-Cola and the Atlantic Coca-Cola Bottling Company. The second largest convention of its type in the U.S. draws attendees from more than 20 states and is the second largest convention for collectors in the country. Atlantic Bottling has been in the community for more than 100 years and is still owned and operated by the Tyler family.

But remember the Coca-Cola Center and Museum will be open and is one of three Coke Memorabilia museums in the country

and is open to the public on Saturdays from 1 to 3 p.m. or by appointment.

**For Christmas**, be sure to take advantage of the many evening events so you can be dazzled by more than 200,000 LED lights strung in the trees and along rooftops throughout Downtown. From Thanksgiving to Christmas you can find an activity every weekend with trees, music, live reindeer, delicious treats and more lights than you can imagine.

Bundle up for carriage rides and hot cocoa on Saturdays in December and warm up in Santa's Cabin or in one of the many retailers' shops and boutiques.

## 45th annual event -

# Preserving the past at Greenridge Steam & Gas Antique Show

**IRWIN** – Take a step back in time on Sept. 17 & 18, 2022, and spend the day (or weekend) at a working early 1900's farmstead.

A family outing with a unique history lesson around every corner awaits you and your family.

Tour the original 1888 farmhouse and see the quilt and doll show. Learn to make a pioneer doll. Take a peek inside the log cabin.

See a working saw mill, blacksmith shop, grist mill, and sorghum mill. Watch as brooms are being made and enjoy live music. Watch field demonstrations of wheat/oat threshing, oat hulling, and corn shelling.

There is a Birds of Prey Presentation.

Don't forget the kids—We have pedal tractor pulls, pony rides, bar-

rel rides, petting zoo, rope making, and a hay maze.

Take a walk through the flea market full of crafts and antiques, enjoy the homemade goodies from the food stand, and see a parade each day.

Camping and handicap parking are available. All for only \$5 for both days and children under six are admitted free!

## A significant piece of Iowa history in Panama, Iowa

### PANAMA'S

Historic  
One Room  
School Museum

**PANAMA** - We are more than a little building - we are Iowa History waiting for visitors of all ages. Built in 1926, the school replaced the original Washington Township #7 (built in 1879) that was destroyed by the 1925 tornado. The "new" building was moved to Panama in 1961 serving as both a one-room school in the country and later utilized for parochial and public school classes into 2002.

In 2005, the Friends of Washington Township #7 was formed to restore the damaged vacant structure. The school is polished and shining inside waiting for you to come. The school will be open for visitors Friday and Saturday evening, June 17 & 18 from 5-8 PM.

The Summer Evening Social and Fundraiser will be held on Sunday, August 28th from 5-8 PM.

For event information, visitor information, and group programs, contact Betty (712) 235-2791, Jann (712) 744-3209, or Kathleen (712) 488-2026.

## Ag showcase in Western Iowa - Panama man brings his love of cars & JD tractors to Portsmouth

**PORTSMOUTH** - The greater Shelby County area has become a hub for ag historians and tractor enthusiasts with Marlin Smith showcasing his own private collection of cars, tractors and related toys.

Smith said, "In 1990, I began selling and buying John Deere collector tractor parts and new parts throughout the Midwest for three antique tractor parts distributors."

Smith said he drives his trailer full of parts to Minnesota, Wisconsin, Indiana, Illinois, Iowa, Nebraska, Kansas and to New York every few years to the John Deere Eastern 2-Cylinder Show.

"I've advertised all over the world and have sent parts to nearly every state and overseas," he said. "I do this for fun and to support my habit," he said with a smile.

Also be sure to look for an additional Smith Family Collectables open house the weekend in July which generally coincides with the St. Mary's Parish Picnic in Portsmouth.

## Museum of Danish America celebrates Danish roots and American dreams

**ELK HORN** - The Museum of Danish America, a non-profit organization founded in 1983, explores the Danish-American experience, the historic and modern influences of Denmark on the United States, and the continuing story of how a nation of immigrants shape American identity. In 2016 it was awarded accreditation by the American Alliance of Museums, a distinction held by less than 3% of museums in the U.S.

The museum's collection of nearly 25,000 artifacts is diverse and wide ranging. There are family heirlooms brought from Denmark, remarkable examples of needlework, tools of early immigrant tradesmen, memorabilia from Danish-American clubs and organizations, and even a 1929 Model-A Ford! Many of the items on display are treasures which have been passed down through the generations in Danish families. The Museum of Danish America is committed to providing professional care for its artifact collections and maintains safe, clean, and stable exhibition, storage and work spaces. The curatorial staff, who have over 30 years of combined experience in the museum field, establish and maintain conditions that prolong the lives of the artifacts.

There are three floors of exhibits, Victor Borge's first piano, LEGO® play area for kids of all ages, and a gift shop with beautifully designed Danish, Danish American and Scandinavian merchandise.

The museum's 35 acres of parkland and prairie restoration have been transformed into the Jens Jensen Prairie Landscape Park, named for the colleague of Frank Lloyd Wright and the father of the Prairie School of Landscape Architecture. A pergola with interpretive panels about Jens Jensen's life and philosophies has been erected in the park, in addition to two council rings, walking trail, and Danish outdoor fitness equipment available for public use.

The museum owns and operates the historic Bedstemor's House on College and Union Streets, built by a Danish immigrant in 1908 and restored to
