Don't Forget our Big 71st Anniversary Calf/Yrlg Auction & BBQ Starting 9 am NOTE TIME Expecting 6500 head

We are finishing up plans for our 71st Anniversary BBQ auction this Friday, August 6th. We have our beef quality assurance certification meeting coming up Tuesday, August 31st. Please RSVP with Ruby in the office. This past week I had the opportunity to testify in Washington DC in front of the Judiciary committee about the state of the live cattle markets. The hearing was called by our own Senator Grassley who has fought for independent producer's rights his whole political life. There is lots of chatter about all these issues. Those phone calls to congressional offices make a difference. Keep up this pressure. Meaningful change is happening!!

Fed Cattle/Weigh Cows: Tuesday, July 27th:
We had a lighter run, on Tuesday with the trends $1 lower on the Fed cattle & $1-3 better on the cows. We never know for sure but historical trends have us trending lower on weigh-ups. If you know your going to split some pairs might be a great time w/high calf price's. Also visit with your vets about calf vaccinations. A solid health program is an important as ever!

PAULEY BROTHERS FALL MACHINERY CONSIGNMENT SALE
TUESDAY, AUGUST 31ST
Last week to get your things advertised – IT PAYS!
Deadline to advertise – Tuesday, Aug 10th

County fairs came and went. Just as fast as the summer's go. The older I get, the faster time goes. But, 24 hours is 24 hours. If anyone is interested, I bought a choice prime Angus calf at the Crawford County Fair. If anyone would like to BUY a quarter or half of beef, CALL now so you can get it processed the way you want. It will be the best.

Sick of News – Now 11 million households are bitching about where they will get their rent money. Eviction notices come out August 1st. Government says they are not going to pay rent. Landlords are going to start getting paid rent again. How do you pay rent? People need to get off their rumps and go to work. Restaurants, manufacturing businesses, construction companies, lockers and etc. all need workers. Production is 75% at best. Many are just closing their doors. WAKE UP AMERICA. When you pay people to not work, they won't. If you think things are bad now, sit back. You haven't seen nothing yet. Maybe, just maybe, we'll all wish we never grew up.

If anyone needs help making donuts, Julie and Dan will offer their help. Dan usually is in charge of the donut holes…..this is an inside joke. Call for details.
