JR COMMENTARY:
Went to the Story County Cattlemen's Annual Steak Supper Saturday night in Cambridge, IA. Had a wonderful meal and I got a really big surprise. I received the Granite Award of Story County for continuing the support of the local Beef Industry.
At Denison Livestock we love that 99% of your cattle are under a roof with proper air ventilation. All pens are bedded with fresh corn stalk bales so that your cattle think they are at a 5 Star Motel. Last but not least, we buy only the BEST native prairie grass hay Kansas grows. If your cattle don't like our hay it's because they LOVE it. It is always a pleasure **to serve all past, present and future customers.**
