I want to thank the citizens of Shelby County for their generosity and support through this past year. It is you, the citizens, that encourage and embrace us to continue to get better. We take pride in our community and want to thank you for all you do for this office.

I would also like to thank everyone with the Shelby County Sheriff's Office for all their hard work, dedication, and commitment to providing safety in our community. The professionalism you display everyday does not go unseen. Your countless days lost with family and friends, the holidays, weekends, and nights spent at the office or in a patrol car are valued and appreciated. You all exert an extreme amount of time and energy to train and prepare to do whatever you are called to do to assist in day-to-day operations of the office, and to help make our community a safer and better place to live.

I would also like to thank all the Shelby County Sheriff's Office previous employees, for you are the ones who helped pave our way and made this office what it is today.

To all officers and deputies, thank you for the sacrifices you make so that others may enjoy their freedoms in a safe community.
