DUNLAP LIVESTOCK AUCTION

701 Hwy 30 W, Dunlap, IA 51529, 712-643-5761

Sale Times for Tuesday, June 30th @ 10:00 am Fed Cattle (NOTE TIME), followed by weigh cows & bulls, Special Feeder Cattle @ 12:30 pm then Bred Cows/Pairs/Breeding Bulls

Through last Fall's Tyson plant fire and now continuing through the current COVID mess the Dept of Justice (DOJ) has launched an investigation into the beef packers. I applauded the government for doing it. I remain skeptical as I'm bothered what I hear is the limited scope of the investigation. Personally, there are laws written in the Packer & Stockyards act that protect producers from harmful trading practices. I truly feel that if the DOJ would expand their scope in to the packers & Stockyards Act and enforce the laws on the books we might see meaningful change. Country of Origin labeling & Senator Grassley's 50-14 bill are just pieces of the giant puzzle we must put together to add some fair competition in the market place. Livestock auctions fight for that fair competition every day.

Fed Cattle/Weigh Cows Tues., June 16th:
Fed cattle were lower as our basis narrows some more. I'm not sure in the short term how we move fed cattle higher. Hopefully they prove me wrong! All classes of weigh cows & bulls were higher.

Janett Estate, Owner

What's up?? Not much!
More cases of the virus every day. Almost makes you think the last 3 months never happened. Herd immunity maybe would have been the easiest answer, but when you are in unchartered waters it's all a guess. Nobody has all the answers. Nobody should get all the blame. Nobody should get all the credit. Maybe Nobody should all work together, get thru this the best we can. When Nobody gets their call from the angels in heaven the world will not stop turning. The sun will always come up in the East and set in the West. No matter who lives or dies. Appreciate what you have and don't worry about what you don't have.
Hope all Fathers had a great day on Father's Day. Always appreciate your Mom and Dad. They are only here a short time and sometimes the best friends you will ever have.
